

Manor Road Brackley - Glossary

This glossary provides simple descriptions of improvement measures outlined within the consultation drawings.

Term	Description	Image
One-way street	Vehicles are only permitted to travel in one direction along a street.	 <p>Image capture: July 2024 © 2025 Google</p>
Contraflow Cycling	Cyclists are allowed to travel in the opposite direction to one-way vehicle traffic. Sometimes this is permitted without dedicated markings or signage.	 <p>Image capture: August 2024 © 2025 Google</p>

Term	Description	Image
Formalise On-Street Parking/ Marked Out Bays	<p>Converting informal or unrestricted parking into designated and marked parking bays, usually with road markings and signs.</p>	 <p>Image capture: August 2017 © 2025 Google</p>
Residents' Parking Scheme	<p>A scheme that prioritises parking spaces for local residents, usually requiring a permit.</p>	 <p>Source: Pell Frischmann</p>
Raised Zebra Crossing	<p>A zebra crossing that is built on a raised platform to slow down traffic and improve safety for pedestrians.</p>	 <p>Source: Pell Frischmann</p>

Term	Description	Image
<p>Widened Footways</p>	<p>Pavements that have been made wider to provide more space for pedestrians.</p>	 <p>Source: Pell Frischmann</p>
<p>Continuous Footways</p>	<p>Pavements that continue across side roads at the same height and surface, giving priority to pedestrians over turning vehicles.</p>	 <p>Image capture: May 2023 © 2025 Google</p>
<p>Junction Resurfacing</p>	<p>Repaving or improving the surface of a road junction to ensure it is in good condition.</p>	

Term	Description	Image
