DRAFT

1.0. Introduction

- 1.1.1. The West Northants Housing Allocation Scheme describes how social rented housing is available through our Choice Based Lettings Scheme. It explains how the scheme operates, its processes and how people can apply for social rented housing, to West Northamptonshire Council (the “Local Authority”). Throughout this Scheme a reference to the ‘Local Authority’ means West Northants Council.
- 1.1.2. This scheme replaces the three separate Allocations schemes in place for the legacy Local Authorities of Daventry, Northampton and South Northants.
- 1.1.3. All Applicants who are on the Local Authority’s previous Schemes, will have to reapply to join this Scheme.
- 1.1.4. The Scheme sets out:
 - a) Who can apply and the eligibility and qualification criteria to join the Scheme
 - b) The extent of choice offered to Applicants when an allocation is being made
 - c) Applicants that are entitled to an additional or reasonable preference for an allocation.
 - d) how priority between Applicants will be determined when an allocation is being made
 - e) the arrangements for allocating Council homes
 - f) the arrangements for allocating homes owned by the Local Authority that are managed on its behalf by Northamptonshire Partnership Homes (“NPH”).
 - g) the arrangements for allocating homes owned by registered providers of social housing (“Registered Providers”), who own and/or manage social rented housing in the Local Authority area.
- 1.1.5. The Local Authority will allocate social rented housing to:
 - a) persons (“Applicants”) applying to become a social housing tenant, for both general needs and supported housing (including housing for older persons), let at affordable rent and social rent rates.
 - b) secure/assured tenants, with a housing need seeking to move to another dwelling house (“Transfer Applicants”), let under secure/assured tenancies.

1.2. Registered Providers

- 1.2.1. There are a number of Registered Providers (Housing Associations) across West Northamptonshire who own and manage social rented housing. A list of these Registered Providers (RPs) can be found at Appendix B. Those RPs participating in this Scheme can be found at Appendix C.

1.2.2. People who make an application to the Local Authority for an allocation of social rented housing, are also entitled to make separate additional applications for housing directly to any Registered Provider, where their own housing allocation rules and policies allow this.

1.3. Allocation of social rented housing

1.3.1. An “allocation” is defined as occurring when the Local Authority select an Applicant to be a secure or introductory tenant of social rented housing held by the Local Authority or nominates a person to be an assured tenant (encompassing flexible and affordable tenancies) of social rented housing held by a Registered Provider, subject to certain exceptions.

1.3.2. The Local Authority will accept applications from its current tenants, for transfers (“Transfer Applicants”) to alternative social rented housing available in the Local Authority area. Such Applicants have the right to:

- a) Make applications.
- b) Have their applications considered.
- c) Be notified as to their rights to information and review.
- d) Confidentiality of the fact of their application.

1.3.3. The Local Authority will initially treat Transfer Applicants in the same way as all other Applicants, except that there will be no inquiries made about eligibility. Transfer Applicants will be prioritised in the same way as new Applicants (e.g., by housing need and then date of applying to join the scheme).

1.3.4. Transfer Applicants will be made an offer that ensures they do not inadvertently lose accrued rights and will be an equivalent tenancy to that which they are transferring from. Arrears of rent outstanding on a previous tenancy can be transferred to the new one when both properties are held by the Local Authority, subject to agreement as to how those arrears will be cleared (compliance with the arrears agreement will be a term of the new occupancy agreement).

2.0. Aims of the scheme

2.1.1. The Scheme seeks to ensure that social rented housing across West Northants is allocated to people whose housing needs cannot be met by the general housing market, in a fair, transparent and effective way, having regard to any law, official guidance and good practice.

2.1.2. The aims of the West Northants Allocations scheme are to:

- a) Have a clear and transparent scheme that provides a fair and consistent approach for assessing and allocating social rented housing.
- b) Achieve an appropriate balance of choice against the shortfall of social housing, and ensuring we help that in greatest housing need.
- c) Contribute to the development of mixed and sustainable communities.
- d) Make best use of the Councils and Registered Provider social rented homes.

2.1.3. The Scheme will be subject to periodic review, in accordance with legal or statutory guidance.

3.0. Scheme outline

3.1.1. West Northants Allocations Scheme is a Choice Based Letting Scheme (CBL). This means that applicants have some choice about where they apply to live.

3.1.2. West Northants Council will maintain a housing register. Applications to the register are made online at (insert link once known) and assessed using the scheme to determine eligibility and qualification.

3.1.3. Allocations will be made with fairness and equity and have regard to the priorities of the scheme. Allocations will also take into account any specific criteria the Local Authority or Registered Providers may have and any restrictions in either a local lettings plan or other planning requirements. See Section 9.11.1. for information about local lettings plans.

3.1.4. There is a high demand for social rented housing across West Northants area and we will balance providing choice and housing need to ensure that housing is offered in a way that helps to best manage the housing stock.

3.1.5. The Local Authority will ensure anyone is able to access support to apply and to gain information about the scheme easily. This assistance is available:

Online: xxxxx

3.2. Equality and Diversity

3.2.1. West Northants Council is committed to ensure that the scheme will be accessible, responsive and sensitive to the diverse needs of applicants, and will be at the center

of our decision making and service delivery. The scheme will deliver a quality service without prejudice and discrimination to all its customers, by preventing and eliminating discrimination on the grounds of Age, Disability, Gender Reassignment, Marriage and Civil Partnership, Pregnancy and Maternity, Race, Religion and Belief, Sex and Sexual Orientation.

- 3.2.2. The Local Authority will carry out appropriate checks on an Applicant's eligibility to be allocated social rented housing and will ensure these checks are not discriminatory on the basis of race, nationality, ethnic origin, or any other protected characteristic as defined by the Equality Act 2010. The Local Authority will monitor the impact of the policy to ensure that it promotes equality of opportunity to all applicants including minority groups.
- 3.2.3. The Local Authority will monitor the performance in screening housing applications for immigration status to ensure that members of ethnic minorities, who are eligible for an allocation of social rented housing, do not experience unreasonably long delays whilst their application is being considered.
- 3.2.4. The Local Authority will train its employees about housing allocation law and practice and the duties and responsibilities under the Equality Act 2010. The Local Authority shall ensure that language and interpretation support is available for Applicants who have difficulty reading, understanding or speaking English.

3.3. Information sharing, confidentiality and data protection

- 3.3.1. The information which an applicant provides relating to their housing application will be treated as confidential in accordance with guidelines on handling personal data. The Local Authority will operate this scheme in accordance with our obligations under the Data Protection Act 2018. Applicants will be advised of their right to make a complaint to the Office of the Information Commissioner if they believe the Local Authority has failed to fulfil its obligations and responsibilities as set out in the Data Protection Act 1998.
- 3.3.2. We will make all applicants aware and ask for their consent when they apply to the West Northants Allocation scheme that their personal information will be held and shared with our housing providers and other relevant external agencies. This is for the purposes of assessing an application, considering an allocation of accommodation being made or to prevent fraud in accordance with the applicant declaration when making an application.

- 3.3.3. All personal information will be processed in accordance with the requirements of the Data Protection Act 2018. Applicants have the right to access personal information held about them under the Data Protection Act 1998. For further information please see the Local Authority's Data Protection Policy <https://www.westnorthants.gov.uk/your-council/data-protection-policy>.
- 3.3.4. Applicants have the right to confidentiality. An application will not be divulged to any other party without an Applicant's consent, unless it gives rise to a safeguarding concern. Applicants will be asked to give consent to share relevant details of their application with relevant third-party organisations, such as public authorities, Registered Providers, voluntary organisations, and others. Where consent is given, this only extends to those who can provide evidence that can help to determine an application and or who need to know to process an allocation (e.g., employees of health, social care, criminal justice, social housing organisations, etc). For further information, please refer to the Local Authority's Information Sharing Protocol [insert hyper-link].

3.4. The role of Elected Councillors

- 3.4.1. Elected Councillors of the Local Authority are prohibited from making decisions about any individual allocation pertaining to any accommodation situated in their electoral ward area or any person who is resident in their electoral ward area.
- 3.4.2. Elected Councillors may seek to obtain general information about the allocation of housing, can represent their constituents and discuss their cases with administrators of the Allocation Scheme.
- 3.4.3. Elected Councillors should participate in making decisions about the overall content of this scheme.

Persons that do not meet the West Northants Local Connection criteria	5.3.1
Persons found guilty of unacceptable or unreasonable behaviour	5.4.1

5.1.3 Persons under 18 years of age

An Applicant incapable of holding a tenancy agreement, which extends to:

- A. Persons defined as a child in law (anyone aged 0 - 17 inclusive).
An exemption will apply to an Applicant who is a child aged 16 or 17, (who may or may not also feature another person(s) aged 16 or 17 as a usual household member(s)), where a tenancy can be granted to a third party (e.g., an adult relative or friend or corporate parent, etc), 'a trustee', and held on trust for the child until they reach the age of 18 years. An exemption will also apply if there is a person aged 18 years or over who is willing to enter into a joint tenancy agreement with a child.
- B. Persons defined as a child in need as a result of a statutory assessment carried out in accordance with Children Act 1989, section 17. When making decisions about the qualification of a child aged 16/17 or an adult (a person aged 18 years and over) who is leaving the care of the Local Authority, full regard will be made to joint protocol agreed (16/17 year old protocol and the Care Leavers protocol) between Northamptonshire Children's Trust and Housing Services for rehousing care leavers. Former care leavers aged 18 years or older fall outside the scope of this section and determination as to whether they qualify will be based on any or all relevant factors in the entirety of chapter 5.

5.2.1. Persons incapable of holding a tenancy

- 5.2.2. Persons lacking mental capacity as defined in the Mental Capacity Act 2005 who are unable to hold a tenancy agreement, meet the obligations of holding a tenancy or make informed decision relating to an offer of accommodation will not usually be awarded a tenancy without a nominated person with lasting power of attorney (finance), enduring power of attorney or authorisation from the Court of Protection prepared to sign a tenancy agreement on the applicant's behalf and the Local Authority is satisfied that the necessary support to sustain a tenancy is in place.

5.3.1. Local Connection criteria

- 5.3.2. An Applicant who does not have a minimum of two years continuous connection to the West Northants area immediately prior to the date of application and will need to satisfy any of the following factors (exemptions apply to Applicants who are survivors of domestic abuse and Armed Forces personnel):
 - A. Residence - a connection is established by being normally resident within the Local Authority area, by their own choice for a minimum period of two years.

Being normally resident includes permanent housing but also includes anyone who has nowhere to live, occupying interim accommodation provided under the Local Authority's homelessness duties, community care duties, or other duties.

Persons who have been detained in the Local Authority (e.g., in prison or hospital) will not be able to establish a local connection as this does not constitute a choice of being resident in the area. Nor will former asylum seekers who were previously accommodated under Immigration and Asylum Act 1999, section 98 (temporary support) or section 4 (hard cases support), or former asylum seekers previously accommodated under the Asylum Seekers (interim Provisions) Regulations). Exemptions to residence conditions will apply to:

- i. Homeless households and care leavers owed a duty by the Local Authority placed outside the local authority area.
- ii. Transfer Applicants under-occupying and living within the West Northants area and wish to downsize to a smaller home.

B. Employment – a connection established by employment of no less than two years duration (including an apprenticeship) will be limited to the usual place of work.

Applicants who are self-employed, or their profession requires them from time to time to work outside the area, will need to demonstrate that their employment has mainly been based in West Northamptonshire.

Applicants on leave due to maternity leave or sickness who remain employed will qualify for this criterion if there is no reason to believe their employment is due to cease.

Any work that is short-term (e.g. a fixed-term contract), marginal (e.g. less than 16 hours per week and earnings allow for claiming Universal Credit or entitlement to Working Tax Credits), ancillary (e.g. occasional (even regularly) work that is undertaken in the Local Authority area, but the main place of work is outside the Local Authority area) or voluntary (e.g. where no payment is received, or payment is made only for expenses) will not be taken into account.

An exemption will apply for Applicants who need to move to take-up an offer of work. When deciding whether to apply an exemption, the Local Authority will consider evidence (the following list is not exhaustive, and the Local Authority will consider any other appropriate factors and local circumstances):

- a) The distance and/or time taken to travel between work and home.

- b) The availability and affordability of transport, taking into account the level of earnings.
 - c) The nature of the work and whether similar opportunities are available closer to home.
 - d) Other personal factors, such as medical conditions and childcare, which would be affected if a move could not take place.
 - e) The length of the work contract.
 - f) Whether failure to move would result in the loss of an opportunity to improve their employment circumstances or prospects, such as taking a better job, a promotion, or an apprenticeship.
 - g) In circumstances where a job is being offered, and there is a need to move to take it up, and their intention to take up an offer of employment.
 - h) Verification of employment, or an offer of employment, and acceptance of it from the employer, such as:
 - i. A contract of employment.
 - ii. Wages and or salary slips or bank statements in cases of zero hours contracts.
 - iii. Proof of receipt of tax and benefit information.
 - iv. A formal offer letter.
- C. Family associations – A connection established by family relationships will be limited to immediate family members (defined as spouses and or partners, parents, step parents or other legal guardians, children or step children (aged 18 and over), siblings and step siblings or grandparents where there are sufficiently close links in the form of frequent contact) and their residence being within the Local Authority for a minimum period of two years. An Applicant who can prove they have a continuing caring responsibility for someone who is resident in the Local Authority area, and that this care could not be provided unless they were resident in the region, will be exempt from local connection requirements.
- D. Other special reason – Applicants who need to be near special medical or support services which are only available in the Local Authority area will be exempt from local connection requirements.
- E. Care leavers – An Applicant aged 18-21 years (or up to 25 years old if they are pursuing a programme of education agreed in their pathway plan), who are owed a duty under Children Act 1989, section 23C, by the Local Authority will be deemed to have a local connection to the Local Authority area.

5.3.3. Local Connection exceptions

5.3.4. The local connection criteria will not apply to the following applicants:

- a) An Applicant where the Local Authority has accepted a full statutory homelessness duty under S 193(2), S195(2), or (189B) of Part 7, Housing Act 1996.

5.4.1. Unacceptable or unreasonable behaviour

- 5.4.2. An Applicant or a member of their household, who have been guilty of past unacceptable behaviour serious enough to make them unsuitable to be a social housing tenant or would be serious enough that a county court judge could make an outright order for the Local Authority to obtain possession, had the Applicant been a tenant at the time the unacceptable behaviour was carried out.

5.4.3. The meaning of unacceptable behaviour for the purpose of this Scheme will encompass a past action or activity (including an omission, failure to act, passivity or inactivity) on the part of the Applicant or a present member of their household. An Applicant will be considered unsuitable to be a tenant if there has been no improvement in their behaviour since the date when the unsuitable behaviour occurred, to the date when a decision is made about their application and/or when an allocation of social rented housing is due to be made. The Local Authority will not take account of any behaviour relating to a spent conviction under the Rehabilitation of Offenders Act 1974, section 4(1). Unacceptable behaviour is defined as:

- a) Having an unspent conviction of a serious offence, committed in the locality of their property, against a person with a right to reside or occupy accommodation.
- b) Having an unspent conviction of a serious offence, committed elsewhere against the Local Authority or a Registered Provider or agents acting on their behalf, which directly or indirectly was related or affected carrying out housing management functions.

- f) Having an unspent conviction for an offence under section 80(4) or 82(8) Environmental Protection Act 1990, concerning noise from a property which was a statutory nuisance as per section 79(1), Part 3 of the Environmental Protection Act 1990.
- g) Having an unspent conviction for an offence under the Fraud Act 2006, Forgery and Counterfeiting Act 1981 or Social Housing Fraud Act 2013, involving withholding, falsifying or misrepresenting any information to access to be allocated social rented housing or sub-letting of social housing by current tenants.

- h) Within the past previous 5 years having committed any other behaviour that would give grounds for possession under Housing Act 1985, section 84, Schedule 2, Part 1, Grounds 1-7 and section 84A. This includes an Applicant being responsible for:
- i. Causing nuisance or annoyance to other people; living, visiting or carrying out lawful activities in the locality of their home, and/or employees of the Local Authority, or people employed by other organisations, to carry out housing management functions, for the Local Authority.

An Applicant or a member of their household who has outstanding liabilities (such as rent or service charge arrears, or recharges) attributable to a tenancy which are more than one twelfth of the annual amount payable (or which was payable) by an Applicant to a landlord in respect of a tenancy.

5.5.3. When determining a realistic repayment agreement, there will be an emphasis on an Applicant's willingness to address the debt and to come to an agreement to do so, along with evidence of regular affordable payments (of at least 3 monthly or 12 weekly consecutive payments). Any agreement will be based on the affordability of an Applicant, rather than the level of debt. Efforts will be made to take into consideration why the arrears have arisen. The urgency of an Applicant's housing need will also be of

paramount importance.

- 5.5.4. Housing related debts included in Debt Relief Order will remain outstanding until 12 months from the date of issue, at which point the debts are formally written off by creditors and the debtor is discharged. Households owed a statutory homeless duty will be exempt from the 12-month criteria.
- 5.5.5. For the purpose of this Scheme, outstanding rent arrears or debts which fall within the following categories will be disregarded:
- a) Any outstanding liability (such as rent arrears) attributable to a tenancy of which the Applicant (or a member of their household) is not, and was not when the liability accrued, the tenant.
 - b) Any rent or other liability which is outstanding, but where the amount outstanding is less than one twelfth of the annual amount payable (or which was payable) to a landlord in respect of a tenancy, or the Applicant has both (i) agreed payments with a landlord for paying the outstanding liability, and (ii) made payments in line with that arrangement for at least three months and is continuing to make such payments.
 - c) Any outstanding liability of an Applicant or anyone who will live with them, which does not relate to the tenancy of a property.
 - d) Any outstanding liability that has been declared unenforceable or statute barred (e.g., any debts that can no longer be recovered through court action). For rent arrears this will be after six years. (Debts which are subject to court action before the unenforceable period begin will not become statute barred).

An Applicant or a member of their household who are homeowners and have a legal right to occupy their own home (either freehold, leasehold, under mortgage or shared ownership) will not qualify subject to the exceptions below (disregards apply to An Applicant who have survived domestic abuse).

5.7.3. Where an Applicant has sold a property within the last five years, and the funds received from that sale would have allowed them to meet their housing needs, but they have disposed of these funds, the Local Authority reserves the right to disqualify them from the Scheme.

5.7.4. If an Applicant has transferred the ownership of their homes to family members, within the last five years, and the proceeds of a sale could have allowed the Applicant to meet their housing need, the Local Authority reserves the right to disqualify them from the Scheme. The following exceptions will apply:

- a) Property has been valued as having negative equity (or limited equity in respect of disabled adaptation to be made).
- b) Where the property has not been let, but the owner cannot secure entry to the property, for example due to it not being safe to enter the property due to severe structural faults, or there are squatters living in the property.
- c) Where it is probable that occupying the property will lead to abuse from someone living in the property.
- d) Where it is probable that occupying the property will lead to abuse from someone whether in that property or elsewhere.
- e) Where the Local Authority has issued a Prohibition Order under the Housing Act 2004 due to continued occupation of the property may endanger the health of the occupants and there are no reasonable steps that can be taken by an Applicant to prevent that danger (e.g., where it is not possible to adapt a property due to the physical arrangements of a dwelling, or the cost of adaptations is prohibitive, or an Applicant is in negative equity).
- f) The Applicant or a member of their household does not have the financial resources in respect of the value or sale of the property as set out in 5.8.1 below.
- g) An applicant of state pension age and over who cannot stay in their own home and need, based on medical and or welfare to move into sheltered, supported or assisted living accommodation where the nature of their current accommodation does not meet their needs and they do not have sufficient resources to meet their housing need elsewhere.

5.8.3. An Applicant and or joint applicant who has a high income, defined in this context as at least £60,000 gross household income in the most recent tax year ending prior to them making application to join the scheme and or being made an offer of accommodation (disregards apply to applicants who have survived domestic abuse). Household income includes any income received by the Main and or Joint applicant.

5.8.4. An Applicant whose qualification would solely derive from a household member who is subject to immigration control, due to them not being entitled to freely enter or remain in the United Kingdom, or not being entitled to public funds, will not qualify to join the Scheme.

5.8.5. Property ownership conditions, plus thresholds for Income and savings will not be applied to Applicants who are victims of domestic abuse or threats of domestic abuse or escaping domestic abuse or harm.

5.8.6. Any compensation for an injury or disability sustained on active service with the Armed Forces or Reserve Forces will be disregarded when calculating financial resources. Any mesne profit debts accrued by occupants of service families accommodation will be disregarded, subject to them providing a copy of their notice to vacate or Certificate of cessation of Entitlement to Service Families Accommodation (the Local Authority may contact the Ministry of Defence Loss of Entitlement team by emailing DIORDAccn-LOETeam@mod.gov.uk with any queries about the status of such Applicants).

5.9.1. No housing need

5.9.2. An Applicant who has no assessed housing needs will not qualify on this Scheme. However, any person can access advice and assistance on other housing options from the Council's Housing Solutions Team. 5.9.3. The following exception will apply:

5.9.4. Where an Applicant has no housing need but establishes a local connection within a local lettings policy in relation to a rural exception site (including entry level exception sites) (as determined in relevant legal agreements). The local connection as determined in the relevant agreements, will be specific to the village where the development is located, or a neighbouring village, and will be permitted to join the housing register but will only qualify to bid on properties where the rural exception development is to which they satisfy a local connection. Local connection to such sites will be verified at the point of application and at the point of nomination.

5.9.5. Preference will be given to applicants who meets the local connection criteria to the rural exception site development, who also falls within a reasonable preference category. If there are no exception site applicants who also fall within a reasonable preference category, then preference will be given to other exception site applicants in Band 4 in accordance with their effective date.

6.1.3. The Local Authority will consider requests for information in translated and alternative formats (e.g., Braille, large print, audio etc) and provide materials as relevant. A separate Equality Impact Assessment has been completed and copies can be requested from the Local Authority or downloaded from its website. The Equality Impact Assessment has identified any potential impact on people with a protected characteristic, showing these as positive, negative or neutral, plus includes actions to mitigate any such negative impacts. To ensure compliance with public sector equality duties, the following arrangements will be made by the Local Authority and or Registered Providers for each individual Applicant with a relevant protected characteristic, such as persons who have a disability:

6.2.4. The Local Authority will advise Applicants that equalities information will be collected, to enable a better understanding of peoples' housing needs and to ensure that no one is discriminated against as a result of the way this Scheme has been

framed, or during the administration of it. Applicants will be informed as to how such data will be used, handled and stored.

7.0. Assessment of an Application

7.1. Assessment of need

7.1.1. Only Applicants who have been assessed as eligible and who qualify will have their housing need assessed.

7.2. Housing need

7.2.1. Reasonable preference

7.2.2. The Council is required by law to determine the relative priority that housing applicants are awarded. This is particularly important as the demand for social housing is greater than the availability of homes.

7.2.3. The law, as it applies to local housing authorities, requires that reasonable preference for housing must be given to those in the categories set out in the Housing Act 1996 (as amended). Applicants with reasonable preference must be given a reasonable head-start in terms of accessing housing over those who do not have reasonable preference. Reasonable preference does not mean that applicants will have an absolute priority over all other Applicants.

7.2.4. The statutory reasonable preference categories in section 166A (3) to I of the Housing Act 1996 (as amended) are:

- a) People who are homeless (within the meaning of Part VII of the 1996 Act).
- b) People who are owed a duty by any housing authority under section 190(2), 193(2) or 195(2) of the 1996 Act (or under section 65(2) or 68(2) of the Housing Act 1985) or who are occupying accommodation secured by any housing authority under section 192(3).
- c) People occupying insanitary or overcrowded housing or otherwise living in unsatisfactory housing conditions.
- d) People who need to move on medical or welfare grounds, including grounds relating to a disability.
- e) People who need to move to a particular locality in the district of the housing authority, where failure to meet that need would cause hardship (to themselves or others).

7.3.1. Medical needs

7.3.2. Applicants or members of the applicant's household who have applied due to medical or welfare need, will be assessed on information provided by recognised medical professionals, for example your GP, a consultant or occupational therapist, with direct knowledge of the Applicants or a member of their households health and the impact on their housing needs.

7.3.3. The Local Authority will only consider this information if it is demonstrated that:

- i. The medical condition is being caused by or made worse by the applicant's housing condition and;
- ii. The applicant's current property cannot be improved or adapted to meet the needs of the applicant at a reasonable cost and;
- iii. Rehousing is likely to significantly improve the Applicants conditions.

7.3.4. The Local Authority will not consider an application on medical grounds for the following:

- i. Health problems that are not affected by your housing or where health problems cannot be improved by moving accommodation.
- ii. Medical issues which relate to housing defects which can be resolved by action taken by you, or your landlord.
- iii. You are homeless and the temporary accommodation provided by the Local Authority is affecting your medical and or welfare needs. This is because the local Authority would review the suitability of the accommodation if it is impacting on your health and welfare.
- iv. The medical issue relates to someone who is not part of your household.

7.4.1. Welfare needs

7.4.2. If you are applying for housing due to welfare related issues, we will assess your application based on information provided by professionals for example Police; Social Services; support agencies; or a medical Consultant.

7.4.3. We will only consider this information if it is demonstrated that:

- i. There is a need which has not been covered elsewhere in this policy.
- ii. This need could cause significant hardship if it were not met.
- iii. Your welfare need will only be met by a move into a Council or housing association property.

7.4.4. Medical and welfare prioritisation

7.4.5. Medical and welfare banding decisions will be made following an assessment and if you are found to have a medical and welfare need you will be awarded one of three bands:

1. Band A – Urgent medical and or welfare needs.
2. Band B – High medical and or welfare needs.
3. Band C – Medium medical and or welfare needs.

7.4.6. Band A: Urgent Medical need - Condition is expected to be life threatening and or terminal and re-housing is required to address the detrimental effect caused by the current accommodation, either due to the location of the present accommodation and or due to the physical conditions of that accommodation.

7.4.7. The applicant would be awarded Band A – Urgent welfare medical needs if the accommodation is no longer suitable to the applicant or a member of their household, where one or more of the following circumstances apply (please note this list is not exhaustive):

- i. Are housebound and unable to access or exit your home due to your medical and housing conditions.

7.8. Renewal of Applications

7.8.1. Applicants will be required to renew their application annually, from the anniversary of being accepted to join the Scheme. Failure to renew an application will result in an application being closed and membership of the Scheme being discontinued. Applicants will have 21 days from receipt of this information to comply with the renewal request. Failure to comply will result in an Applicant being removed from the Scheme.

7.9. Application processing standards

7.9.1. The Local Authority will aim to process applications within 33 working days, after an Applicant has submitted a completed application and all supporting documents.

7.9.2. Any application which gives the Local Authority a reason to believe a person may be homeless or threatened with homelessness will trigger inquiries as to what duty of assistance, if any, is owed under Housing Act 1996, Part 7 (as amended). Any information provided by an Applicant in support of their application to join the Scheme, or to determine the degree of priority they might be entitled when social rented housing is being allocated via this Scheme, or what might constitute a reasonable offer under the Scheme, will be used, along with any other relevant evidence to determine what homelessness duty, if any, is owed by the Local Authority. Such inquiries and any subsequent assistance a person might be entitled to are outside the scope of this Scheme. The Local Authority has separate arrangements to administer public law homelessness duties. Contact details for which are as follows:

- A. [insert name of service]
- B. [insert address]
- C. [insert phone number]
- D. [insert email address]
- E. (insert website link)

7.10. Who can be included on an application

7.10.1. The applicant should include on their housing application other persons who normally reside with them or who would reasonably be expected to reside with them as a member of their household. All household members who will be living in

the new tenancy must be included on the application in order that qualification checks can be conducted. Applicants and household members can only be included in one West Northamptonshire housing application.

7.10.2. The following can be included on an application if they normally live with the applicant(s) or could reasonably be expected to do so:

- a) Partner or spouse.
- b) Children dependent on the applicant and or joint applicant.
- c) Adult children.
- d) Other adults who are dependent on the applicant and or joint applicant.

7.10.3. Other people will only be considered if there are demonstrable extenuating circumstances that require them to live with applicants; for example, to provide or receive ongoing and substantial care which can be evidenced.

7.10.4. In all circumstances, the Local Authority may decide whether a person is normally resident as a member of the applicant's family and whether they will be considered for rehousing as a member of the applicant's household. The Local Authority will consider each applicant's individual circumstances when deciding whether to allow persons to be included on the application.

7.11. Dependent children

7.11.1. A dependent child is defined as being aged 0-15 years, or 16-18 years and attending or enrolled in full-time approved non-advanced education or training. The Local Authority will usually expect that an applicant receives Child Benefit in respect of dependent children.

7.11.2. In determining whether a dependent child can be considered as part of the household where there is shared parental responsibility, the Local Authority will consider whether there is a sufficient degree of permanence or regularity to constitute normal residence as a member of the family. The Local Authority may also consider the demand for and supply of accommodation, as well as any under occupation which may result where a child spends part of a week with one parent and part of a week with another.

7.11.3. Factors that that Local Authority will consider include:

- a) Who has the main parental responsibility of the child and or children?
- b) What is the child's main and principal home?

- c) What address is registered with GP, School and or Nursery?
- d) Who predominantly cares for the child?

7.12. Adult Children, other non-dependents

7.12.1. Non-dependent children are defined as any children of the applicant or joint applicant who do not meet the definition of a dependent child. A non-dependent child is usually aged 18 years or over or aged 16/17 and who is not attending or enrolled in any full-time approved non-advanced education or training.

7.12.2. Where the household includes people aged 18 years or over that are capable of living independently, the Local Authority will assess the needs of the whole household and may refuse to allow them to be included on an application, for example if it is unable to meet the need through existing social housing in West Northants.

7.12.3. The Local Authority may require such non-dependent members of the household (including adult children, or extended family members) to apply for housing separately.

7.12.4. The Local Authority will allow adult children living with their parents who are serving in the armed forces or resident at university to be included on an application. In these circumstances their parental home will be considered as their principal home.

7.12.5. Where it is determined that an adult child, or other non-dependent is not capable of living independently, for example because of a disability or severe learning difficulties, family accommodation may be awarded if it benefits the wellbeing of the household.

7.13. Split and non-traditional households

7.13.1. Applications are welcomed from persons who live at two separate addresses, or applications from non-traditional households e.g. friends, but who wish to live together at one single address, one person will have to feature as the Applicant (although an Applicant together with one or more other persons might be able enter into a joint tenancy with the Local Authority or a Registered Provider, subject to such an organisation's acquiescence), with the other person(s) featuring as a usual household member. Anyone who might usually reside with an Applicant, or who might reasonably be expected to reside with an Applicant, can feature as part of the application.

7.13.2. A usual household member is a person who primarily (for at least 50% of a month) or exclusively lives with an Applicant. People who usually live with the Applicant, but are temporarily absent due to circumstances beyond their control (e.g., they are in prison, care of a local authority, hospital, armed forces, etc), are also considered a usual household member.

7.13.3. If applicants are applying to include family members who are not living in the United Kingdom, the application may be registered but applicants cannot be nominated together until the family has been reunited in the United Kingdom.

7.14. Children in care

7.14.1. Children in compulsory or voluntary care can be included on an application subject to written confirmation from social services that the children are to live on a permanent basis with the applicant(s). Households currently undertaking fostering may be able to include foster children as part of their application. Written confirmation from social services of the fostering arrangement will be required and considered to inform the decision.

7.15. Provision and receipt of care

7.15.1. Applicants or applicant household members, who require a full-time residential carer which is evidenced by social services or a primary health care professional, may include the carer on their application. People who provide substantial long-term care to another person which requires that person to live with an applicant in order to receive the care, may include that person on their application.

7.15.2. Care needs which cannot be provided by visiting carers must be verified by social services. The care needs must be substantial, i.e., a need for personal care with basic daily activities (dressing, feeding, bathing, toileting), or an inability to live independently certified by a medical professional. It would also be expected that the Applicant or member of their household would be in receipt of Carer's Allowance and Disability Living Allowance with the highest care component.

7.16. Verification

7.16.1. Upon receiving an application, the Local Authority will:

- a) Confirm accuracy of all information provided by an Applicant. Where information is inaccurate or missing, the Local Authority will contact the Applicant notifying them of this and requesting that they provide further relevant information.

Where information requires verifying by a third party (e.g., housing, health, social care or other professional), the Local Authority will contact the relevant party and seek their opinion about the Applicant's circumstances at the date of their application and how this affects their housing needs.

- b) Confirm whether an Applicant is eligible for an allocation of social rented housing.
- c) Confirm whether an Applicant satisfies the qualification criteria for this scheme:
 - i. If the Applicant has applied on the grounds of being homeless or owed a homelessness duty, ascertain whether or not the Applicant has already made an application for homelessness assistance.
 - ii. If yes, subject to the Applicant's acquiescence, access the Local Authority's homelessness database for information relevant to the Applicant's application for an allocation of social rented housing.
 - iii. If no, subject to the Applicant's acquiescence, arrange for the Applicant to make an application for homelessness assistance and share any information from the Applicant's application for an allocation of social rented housing that might be relevant to their application for homelessness assistance.
- d) Confirm an Applicant's priority for an allocation.
- e) The date the priority is awarded from (the effective date in Band).
- f) Confirm the best interests of any children that might need to be taken account of.
- g) Confirm whether an Applicant's circumstances warrant any discretion needing to be exercised.
- h) Confirm what would constitute a reasonable offer of accommodation, also explaining.
 - a. Affordability will be determined in accordance with the criteria set out in Appendix E.
 - b. Bedroom entitlement will be determined in accordance with the criteria set out in Appendix F.
- i) Advise them of their right to request a review of any of the above matters. See Chapter 10 for further details.

7.16.1. If an Applicant is found to have more than one housing need, the Applicant will be awarded the Band which gives the highest priority.

7.17. Effective date

7.17.1. The 'effective date' is used to prioritise between applicants within the same band. The effective date of an application will be the date that the Local Authority receives

the last piece of supporting information to enable the completion of the housing assessment and accepted onto the housing register.

7.18. Missing Information and incomplete applications

- 7.18.1. If an Applicant does not provide all the information needed to process and assess an application, within 28 calendar days of asking for it, the Local Authority will cancel the application.
- 7.18.2. If the Applicant is unable to provide all of the information within this timescale the Applicant must contact the Housing Allocations Team to request a time extension.
- 7.18.3. The above steps will be repeated whenever the Applicant notifies the Local Authority of a change of circumstances and also at the point the Local Authority will make an offer or a nomination of social rented housing to an Applicant.

7.19. Application decisions

- 7.19.1. Decisions on applications will be notified in writing, regardless of whether they are adverse or successful. Additional arrangements will be made for Applicants who might have difficulty understanding the implications of the decision to be informed orally (e.g., via a telephone call or in person).
- 7.19.2. Where the notification confirms a successful decision, Applicants will also be told when realistically they might be offered a letting of social rented housing.
- 7.19.3. Unsuccessful Applicants, who have been declared not eligible for an allocation of social rented housing or disqualified from joining the Scheme, can make a new application when they believe there has been a change of circumstances.
- 7.19.4. Where the notification confirms a decision that an Applicant is ineligible for an allocation of social rented housing or disqualified from joining the Scheme, the Applicant will be given reasons for the decision based on the relevant facts of the case. They will be informed that they can make a further application whenever they believe there has been a material change to their circumstances. They will also be informed of their right to a review.
- 7.19.5. Decisions about applications made by employees of the Local Authority, will be made as per the rules set out in this Scheme. However, all such decisions will be verified via a series of random checks by a designated senior officer with responsibility for administering housing allocation functions for the Local Authority. Applicants will be asked at the point of making an application, whether they (or

anyone who lives with them or might reasonably be expected to live with them) are an employee of the Local Authority. Where a person affirms on their application that they (or a usual household member) are an employee of the Local Authority, they will be notified of the process to deal with any conflicts of interest which will involve a senior officer processing the application and ensuring that it is dealt with impartially without any reference to the relevant employee. The same principle will be applied to relatives of persons who are employed by the Local Authority.

7.20. Change in circumstances

7.20.1. Applicants whose circumstances change (i.e., change of address and or household changes once they have been accepted onto the Scheme must notify the Local Authority of such changes.

7.20.2. An Applicant will need to complete an on-line change of circumstances form. Following a change of circumstances, the Applicant will not be able to bid until the application has been reassessed.

7.20.3. Where there is a change to an Applicant's or a member of their household medical and or welfare need, the Applicant will need to complete the online medical questionnaire and provide supporting documentation from a GP or medical professional.

7.20.4. Eligibility and qualification for the Scheme will be reconsidered when there is a change in circumstances, and this may change the band your application has been placed in.

7.21. Band changes as a result of a change of circumstance

7.21.1. If as a result of a change in circumstances an Applicant gains a higher banding preference for re-housing (e.g., they move from Band B up to Band A), their effective date will be amended to reflect the date of the change.

7.21.2. If as a result of a change in circumstances an Applicant is assessed as having the same banding preference (e.g., they remain in Band B), their effective date will remain in force.

7.21.3. If as a result of a change in circumstances an Applicant is assessed as having less banding preference (e.g., the move from Band B down to Band C), their effective date will remain in force.

7.21.4. If as a result of a change in circumstances an Applicant becomes ineligible or disqualified, then they shall cease to be a member of the Scheme.

Change in circumstances	Effective date
Gains a greater priority and be placed in a higher band	The date at which the higher band applies will be used
Be assessed as being in the same band	The original effective date will be used
Less priority due to their circumstances and be placed in a lower band	The original effective dates will be used
Become ineligible or may no longer qualify	The application will be removed from the Scheme

7.22. Deliberately worsening circumstances

7.22.1. If an applicant or a member of their household has done something that has deliberately made their housing circumstances worse, the Local Authority may reduce the level of priority with the application demoted to Band D for a period of 12 months from the date of the decision.

- a) Abandoned or terminated previous accommodation without securing alternative accommodation first.
- b) Sold a property or given notice on a tenancy with securing alternative accommodation first.
- c) Been found to have deliberately disposed of assets or capital that would have enabled them to secure suitable accommodation.

8.0. Prioritisation of applications

8.1.2. Applicants will be prioritised for an allocation of social rented housing according to the following criteria:

- Bands, in the order of A to D. Band A has the highest priority and Band D the lowest.
- Where two or more Applicants might have the same priority in the same Band, then the effective date (see section 7.17.) will be used to prioritise between applicants.

8.1.3. In determining in which band to place an Applicant, the following priorities will apply:

9.1.1. Properties and advertising

9.1.2. Social rented housing properties that are due to become vacant, will be advertised through a choice based letting system and applicants will be able to place bids for properties which have been assessed as meeting their needs.

9.1.3. Adverts for properties will be created and properties will be advertised on a weekly cycle in the form of an advert, details of available properties are advertised on the website at xxxxxx (insert link).

9.1.4. The Local Authority, and Registered Providers will create adverts and will provide the following information whenever any dwelling is made available by the Local Authority or Registered Providers:

- a) Type (e.g., house, flat, bungalow, etc), size (e.g., number of bedrooms, bathrooms, etc) and location (e.g., by electoral ward).
- b) Who the landlord is.
- c) How much the weekly rent is and the cost of any service or support charges.
- d) If the property is a social or affordable rent.

- e) Type and length of tenancy.
- f) Floor level and whether there is a lift.
- g) Whether it is already accessible for people with disabilities or could be adapted to be so.
- h) Whether there is access to a shared or private garden.
- i) The year the property was built, if available.
- j) Whether pets are allowed.
- k) An indication of the cost of running it e.g., the likely Council Tax valuation, typical charges paid for utilities, if the property is subject to a local lettings plan or a sensitive let.
- l) If the property is restricted by a Planning Obligation under Section 106 of the Town and Country Planning Act 1990 and where offers of tenancies may only be made to applicants with a strong local connection to an exception site.
- m) Closing date of advert.

9.1.5. Properties will be advertised displaying any specific criteria or restrictions on who can bid, for example if there is a restriction on age group or family size, suitable only for persons with supported or specialist needs.

9.1.6. The labelling of properties is an important part of housing allocation process, as it enables the Local Authority to set parameters on which types of households can apply for vacancies and whether any particular types of households will be given preference over other when being considered for specific vacancies.

9.1.7. Labelling should generally be as inclusive as possible, to maximize choice, whilst allowing preference to be given to certain household types to make the best use of stock, meet local priorities and giving as much choice as possible to help create sustainable communities.

9.2.1. Bidding for a property

9.2.2. Applicants are required to bid for a property if they want to be considered for it and may bid for a maximum of up to three properties per week. This does not guarantee that they will be offered any property they might make a bid for.

9.2.3. It is important that applicants are able to access the Local Authority's Choice Based Lettings Scheme and that relevant support is provided where appropriate. Applicants are encouraged to self-identify if they require support in the bidding process, where assistance would enhance successful bids and they would otherwise not be able to participate fully in the scheme. The Local Authority will also identify and support any Applicants who may have a difficulty in expressing a preference. The Local Authority

will use its own judgement on initial contact with an Applicant, based on whether they need assistance to complete an application.

- 9.2.4. Applicants are expected to place bids regularly. Applicants who are not making bids will be contacted to determine if this is due to them having difficulties. Particular attention will be paid to ensuring those who are homeless, have a disability or are from an ethnic minority group, are provided with any support they might need to make bids. If bids are not placed with a six-month period and suitable properties have been advertised during this time, the Applicants will be contacted to assess the reason. Applicants who fail to respond may be removed from the Scheme.
- 9.2.5. Applicants accepted as homeless, including those applicants living in temporary accommodation and the Local Authority has a statutory duty to them under homelessness legislation, need to secure housing urgently. It is therefore expected that Applicants to be actively bidding on advertised vacancies.
- 9.2.6. Homeless applicants are therefore expected to check the adverts each week and apply each week for vacancies which are suitable for their household in terms of size and type. If an Applicant has not utilized all of their available bids at the end of a bidding cycle and the Housing Solutions Team consider that an advertised property is suitable, they may place a bid on behalf of the applicant or reduce prioritisation by lowering the applicant's band.
- 9.3.1. Autobid
- 9.3.2. In some cases, the systems software that the Local Authority uses, will place bids on an applicant's behalf. The system places bids on suitable properties which provide the best possible chance of nomination.
- 9.3.3. Direct offers
- 9.3.4. In some circumstances, the Local Authority will not advertise available properties, instead a direct offer of accommodation may be made to an applicant. Any direct offer will constitute a formal and suitable offer, and if refused will be subject to the same rules for the number of offers as set out in section 9.9.1. Decisions regarding direct offers will be agreed by a Senior Housing Officer within the Housing Team.
- 9.3.5. Illustrative examples of direct offers are as follows; this list is not exhaustive:
 - a) Hard to let properties where no suitable bids have been received.
 - b) Where the local authority makes a direct offer by way of discharging a housing duty.

- c) Where a direct offer is made to an applicant for an adapted property following an assessment by Social Care and Occupational Therapy.
- d) Where an allocation is required to ensure protection of the public for example following a decision made by a Multi-Agency Public Protection Arrangements Meeting (MAPPA).
- e) Where an applicant has been referred as subject to the Witness Protection & Anonymity Orders.
- f) Where the local authority considers it necessary to suspend choice-based lettings for a period of time, for example due to a public health emergency or another similarly significant event. Such decisions will be taken by the Senior Housing Management Team.
- g) Any other circumstance that enables the Council to make best use of housing stock and or respond to emerging local housing needs.

9.4.1. Shortlisting of applications

9.4.2. Once the bidding cycle for the advertisement is closed, all bids will be shortlisted according to the banding criteria and any qualifying letting criteria or property criteria specified on the property advert.

9.4.3. An offer of accommodation will be considered reasonable if the property being offered will meet the housing needs of an Applicant, having had regard to the following matters at the date when the offer is made:

- a) Whether the Applicant and their household would be overcrowded or under-occupying. As a general rule, allocations will be made so that a property is fully occupied. If this is not possible, under-occupation will be considered, subject to an affordability assessment.
- b) Affordability of the property when compared to the Applicants' income and expenditure, see Appendix E for the methodology that will be followed to determine whether a property is affordable.
- c) Location of the property in regard to essential journeys the Applicant needs to make.
- d) Public sector equality duty in Equality Act 2010, section 149.
- e) When there is a child or children in the Applicant's household, the duty to safeguard and promote the welfare of children in the Children Act 2002, section 11.
- f) In respect of school-age children, the duty in the Human Rights Act 1989, that no person should be denied the right to an education (Notwithstanding this, an offer of accommodation might necessitate a child having to move school).
- g) Space and arrangement of the property (e.g., whether the Applicant and usual household members could access the property and suitably move

around inside and use all of its features, in particular taking account of any medical and or physical needs).

- h) The general condition of the property (e.g., that it is in a reasonable state of repair, there are suitable fire safety and carbon monoxide precautions and a current gas safety record, the property is free from damp and mould growth, there is reasonable hygiene, sanitation and water supply, etc).
- i) The specific health needs of the Applicant or their usual household members.
- j) The proximity and accessibility of family support.
- k) The proximity and accessibility of medical facilities and other support services which are currently used by or provided to the Applicant or the usual family members that are essential to that persons' wellbeing.
- l) The proximity of alleged perpetrators or victims of domestic abuse, or other types of abuse or harassment.

9.4.4. Instances when an Applicant who requires adaptations who is offered a property, that is subsequently deemed to be unable to be adapted, or where existing adaptation are not appropriate for an Applicant's needs, will not be deemed as a refusal.

9.4.5. The Local Authority will publish feedback on the outcomes of allocations made. Requests for this information to be provided in alternative formats will be considered on an individual basis.

9.4.6. If an Applicant is shortlisted for two properties on the same day, they will be asked to choose which property they wish to be offered and or nominated to. Once the Applicant has made this decision, the other property will be offered to the next applicant on the shortlist.

9.5.1. Bypassing an Applicant for an offer

9.5.2. In some situations, a property will not be offered to the highest ranked applicant who has expressed a preference for it. Shortlisted Applicants may be bypassed for a number of reasons.

9.5.3. The list below provides a general guide to the possible reasons for bypassing an applicant, however this is not exhaustive, and each case will be assessed individually:

- a) If an applicant bids for a property and their household details do not match the household criteria set out in the advert.
- b) If an applicant bids for a property that does not meet their specified medical and or welfare needs.

- c) If the property is adapted and the applicant does not need those specific adaptations.
- d) If the property is not adapted and the applicants needs specific adaptations, based on their medical and or welfare assessment.
- e) If the reason for the move is domestic abuse, racial abuse, hate crimes etc. and the move is not considered to be far enough from the area to resolve the issues.
- f) If the property advertised is through a Local Lettings Plan and the Applicant's household details do not match the household criteria set out in the advert.

9.6.1. Pre nomination and offer Verification

9.6.2. Before an offer or nomination is made the Local Authority will contact the Applicant to check that their circumstances have not changed, and that the Applicant would still be entitled to be considered for the property. Applicants will be expected to provide up to date original documentation.

9.6.3. If the Local Authority assess that the Applicants circumstances have changed and this would mean that the applicant's band should be reduced, or the Applicant's effective date in band be changed, then the Applicants will not be offered the property. If the Applicant has moved and has not provided an update on their circumstances, then the property will not be offered.

9.6.4. If it is not possible to complete the verification, or the Applicant does not provide the required information the bid will be overlooked, and the property will be offered to the next applicant on the shortlist.

9.7. Bedroom standard

9.7.1. One bedroom will be allocated to each of the following, (this includes students and members of the armed forces or reserve forces if they're away and intend to return home):

- a) A married couple, cohabiting couple or single parent.
- b) Adult aged 21 years or more.
- c) Pair of adolescents aged 10-20 years of the same sex.
- d) Pair of children aged under 10 years regardless of sex.
- e) An adolescent aged 10-20 years paired with a child aged under 10 years of the same sex.
- f) An unpaired adolescent aged under 21 years.
- g) An unpaired child aged under 10 years.
- h) A household member who cannot share due to a disability or medical condition, or due to fostering arrangements being facilitated by the Local Authority.

- i) An overnight carer for any usual household member, if the carer isn't a usual household member.
 - j) Approved foster carer who is between placements, but only for up to 52 weeks from the end of the last placement.
 - k) A new approved adopter or foster carer for up to 52 weeks of approval if no child has been placed with the Applicant's household during that time.
 - l) Households with an expected mother are treated as though the child has been born once the pregnancy has reached 24 weeks. Confirmation of the pregnancy and expected date of delivery such as the Pregnancy Maternity Certificate (MATB1) or GP and or Midwife letter is required.
- 9.7.2. This standard is then compared with the number of bedrooms available for the sole use of the household. Appendix F provides further details on how the Local Authority will determine an Applicants entitlement to bedrooms.
- 9.7.3. Due to the shortage of larger properties, Applicants who are eligible for four-bedroom properties may also be considered for larger three-bedroom properties, for example, a three-bedroom property with two separate living rooms where one room can be considered to be used as a bedroom. Unless the property has a though kitchen lounge or kitchen diner and only one other separate living room. In considering the use of room which could be used as a bedroom, regard will be given to whether the room has a fixed heating appliance with exposed flame which would make it unsuitable for use as a bedroom.
- 9.8.1. An offer and or nomination of accommodation
- 9.8.2. Following an offer or nomination by the Local Authority to an Applicant, the Local Authority will notify the landlord of the property, of the Applicant meeting the criteria and provide their application for consideration.
- 9.8.3. The Registered Provider may ask for additional documentation and reserve the right to carry out pre-tenancy checks.
- 9.8.4. Applicants will be given a reasonable period to properly consider whether to accept a property. This will typically be 24 hours following a viewing, however, the personal circumstances of each Applicant, including those who are vulnerable Applicants, unfamiliar with the property being offered, in hospital, require a support worker to be present at the viewing, are working, or have childcare commitments will be given longer to consider the property offered. Any longer timescale will be based on the specific circumstances of an Applicant. The actual letting will be handled by Northamptonshire Partnership Homes or a Registered Provider, who will complete

the letting following the offer and acceptance of a tenancy agreement by the Applicant.

- 9.8.5. Applicants will be provided with an opportunity to view the property prior to accepting or rejecting the dwelling being offered. Applicants can expect properties to be fit for occupation at the date of the letting, or that any repairing obligations imposed on a registered provider, will be met within a reasonable time of commencement of the tenancy.
- 9.8.6. Applicants will not be offered an allocation that at the date an allocation or nomination is made, would result in them under-occupying the dwelling (as per the definition used by the Department of Work and Pensions to determine claims for help with housing costs), being overcrowded (as per the United Kingdom Government's Bedroom Standard) or being unable to afford housing costs (including rental charge and any service charges), reasonable living expenses equal to universal credit standard allowances, relevant expenditure to nurture and keep safe any child that lives in the household, and any priority debts.
- 9.8.7. As a general rule, allocations will be made so that a property is fully occupied. If this is not possible, under-occupation will be considered subject to an affordability assessment.
- 9.8.8. Applicants who receive support from a carer who does not live with them and who is required to stay overnight, and meets the requirements as set out in Section 7.15, will have their need for a spare room taken account of whenever possible.
- 9.8.9. Properties on the ground floor, with an accessible bathroom will be offered to Applicants who have a medical need for such a dwelling over an Applicant who has no need for such accommodation.
- 9.8.10. Any particular needs of older Applicants will be taken account of. A health or social care professional with direct knowledge of the Applicant's condition will be contacted by the Local Authority for an opinion of the Applicant's health and the impact on their housing needs when evidence, submitted by an Applicant, requires clarification either on a point of accuracy or of the prevailing circumstances of their condition. The needs of Applicants who have been approved by the Local Authority to adopt or foster and require a larger property will be taken account of. The extent and circumstances of an Applicant's household will be taken account of, as to whether they would be eligible or qualify in their own right or not.

9.8.11. Applicants will not be made an offer of a property in an electoral ward in which they have previously been the perpetrator or victim of anti-social behaviour, hate crime, violence or domestic abuse, or where the perpetrator or victim now currently lives.

9.8.12. Applicants will be informed when an offer is made whether the property will be furnished or unfurnished.

9.9.1. Number of offers

9.9.2. To ensure applicants only bid for properties in which they are genuinely interested, and in order to be fair as possible to all Applicants, the number of offers an applicant can refuse is limited.

9.9.3. All Applicants are entitled to two refusals of a reasonable offer of accommodation, except for the following exceptions:

- i. Homeless applicants to whom the authority has accepted a S193 main duty to accommodate will only receive one refusal of a reasonable offer of accommodation. After the first refusal, the 2nd nomination and or offer will be through a direct match.
- ii. Homeless applicants to whom the authority has accepted a S188 duty to accommodate will only receive one refusal of a reasonable offer of accommodation. After the first refusal, the 2nd nomination and or offer will be through a direct match.
- iii. Applicants who are subject to MAPPAs are entitled to one reasonable offer to accommodation, this will be through a direct matching.

9.9.4. Once an Applicant has exhausted the applicable refusal threshold, if the Applicant refuses a final suitable offer, they will be given reduced preference for a period of 12 months.

9.9.5. When an offer is refused, an assessment will be made as to whether this was a suitable offer. The Local Authority will consider the circumstances of each refusal on a case-by-case basis and confirm with an Applicant they are refusing an offer prior to imposing a sanction.

9.10.1. Register Provider and or Landlord refusal

9.10.2. In some circumstances Registered Providers and or Landlords may refuse to offer a tenancy to a nominated Applicant in accordance with their own policies. They carry out their own verification processes and they may refuse to accept an Applicant as a tenant if they do not meet the guidelines set out in their own policies. The

Registered Provider and or Landlord may also prevent an offer going ahead where the property is not considered suitable for the Applicant or a member of their household. This may include issues of public safety, risk or sustainability of the tenancy.

9.10.3. If a Registered Provider and or Landlord rejects an Applicant, they will inform the Applicant in writing how they reached the decision and if the Applicant wishes this to be reviewed, the Applicant or their representative must make a written request directly to the Landlord concerned within 21 days of the decision. If the Local Authority does not agree with the decision of the Registered Provider and or Landlord, we will negotiate with them, however if the negotiation is unsuccessful, then the Local Authority will have to move to the next Applicant on the shortlist.

9.11.1. Local Lettings

9.11.2. The Local Authority will use local lettings schemes to achieve a wide variety of housing management and policy objectives subject to agreement with the Local Authority. The following list is intended to be illustrative and in no way prescribed or definitive. The Council is under no obligation to instigate a local lettings scheme for any of the examples listed below:

- a) Allocating accommodation in rural villages and giving priority to Applicants with a connection to a particular parish.
- b) Creating more mixed and or sustainable communities.
- c) Dealing with a concentration of deprivation.
- d) Ensuring properties that are particularly suited to being made accessible (e.g., ground floor flats) are prioritised for those with access needs.
- e) Relocating essential workers such as teachers, nurses and police officers within a reasonable travelling distance from their work.
- f) Supporting people in work and or volunteering or who are seeking work or seeking volunteering opportunities.
- g) Dealing sensitively with lettings in rural areas to sustain communities by giving priority to those with a local connection of more than two years.
- h) Where a child to adult ratio could be lowered on an estate where there is high child density or, conversely, young single people could integrate into an estate where there is high ratio of older persons.
- i) Where there are reasons to positively discriminate due to age, for example accommodation is only suitable for Applicants under the age of 35 years, or over the age of state pension entitlement.

9.11.3. Upon identification of particular types, clusters or locations of housing for particular types of Applicants, a local lettings scheme will be used to deal with letting those homes. Local letting schemes will have clear evidence of need for the approach being taken. Any local lettings scheme will not dominate the Scheme and will overall give a reasonable preference to those in Band A and Band B over Applicants in Band C or Band D. To adopt a local lettings scheme, evidence will be submitted for approval by the Housing Solutions Service Manager prior to any local letting scheme being put into force. Any local lettings scheme adopted will set out the following:

- a) A clear definition of the objective(s) to be achieved, backed up by evidence.
- b) A method which is likely to achieve the objective(s).
- c) An equality impact assessment.
- d) How the scheme will be monitored and who will be involved.
- e) Mechanisms of reporting and reviewing the scheme.
- f) How the views of local communities have shaped the scheme (e.g., with people who are on the electoral register as being resident in an electoral ward(s), where a local letting scheme is being proposed. Their view will not be treated as an overriding factor in decision making).
- g) The circumstances in which the local lettings scheme will be reviewed or will come to an end.

9.11.4. Local lettings schemes will be adopted to set aside:

- a) A portion of properties for letting of new build properties for the first time, to be determined in accordance with the Local Authority's Local Plan.
- b) A portion of properties, to be determined annually (from date of adopting this Scheme) by the Local Authority, for former members of the Armed Forces based on the number of applications made by and allocations made to former members of the Armed Forces during the preceding 12 months.
- c) A portion of properties, to be determined annually (from date of adopting this Scheme) by the Local Authority, for households in types of employment where skills are in short supply.
- d) A portion of properties, to be determined annually (from date of adopting this Scheme) by the Local Authority, for prospective and approved foster carers and adopters (endorsed by the Local Authority), so it can satisfy its duty under Children Act 1989, section 22G to ensure there is sufficient accommodation available to the needs of looked after children, based on intelligence provided by the Local Authority's Children Services.
- e) A portion of properties, to be determined annually (from date of adopting this Scheme) by the Local Authority, a minimum of which is one percent (1%) of all properties allocated, to Transfer Applicants who need to move

for work related reasons, based on the number of applications made by and allocations made to Transfer Applicants who need to move for work related reasons, during the preceding 12 months.

9.11.5. A local lettings scheme will be adopted for specific types of accommodation which provide with linked support services for:

- a) Older persons applying for accommodation at an Extra Care Scheme or sheltered housing. A joint assessment of the Applicant's housing, care and support needs will be undertaken by the Local Authority's housing and adult social care departments, subject to consent from the Applicant.
- b) Single parents aged 16 and or 17 years, who are not living with their parents. A joint assessment of the Applicant's housing, care and support needs will be undertaken by the Local Authority's housing and children services departments, subject to consent from the Applicant.
- c) Rough sleepers and people at risk of rough sleeping. An assessment of housing and support needs will be undertaken by the Local Authority housing department, adult social care department, or an organisation commissioned by the Local Authority to provide support to people sleeping rough or at risk of rough sleeping.
- d) Sex offenders. A joint assessment will be undertaken by the local Police Service, National Probation Service, the Local Authority's adult social care department, health professionals and other bodies to manage risk to the community.

9.11.6. A local letting scheme will be adopted for displaced agricultural workers, where they have been displaced due to a need to accommodate another agricultural worker and the farmer cannot provide suitable alternative accommodation for the displaced worker and needs to be rehoused in the interest of efficient agriculture.

9.12.1. Discretion

9.12.2. Discretion about qualification, choice, prioritisation (banding) or being allocated social rented housing will be exercised by the Local Authority only in limited individual cases where there are exceptional circumstances as defined below:

- a) Providing protection to people who need to move away from another area, to escape violence, harm, or intimidation.
- b) Enabling those who need support to rehabilitate and integrate back into the community.

9.12.3. Discretion about qualification, choice, prioritisation (banding) or being allocated social rented housing will be exercised by the Local Authority only in limited individual cases, where an applicant (or a member of their household or someone who might usually be expected to live with them) needs to move due to:

- A. Multi-Agency Risk Assessment Conference (MARAC).
- B. Multi-Agency Public Protection Arrangements (MAPPA).
- C. Action being taken as a result of adult or child safeguarding concerns.

9.12.4. When assessing whether discretion should be applied, the Local Authority will consider:

- A. All the circumstances of the Applicant, including whether they would usually qualify to join the Scheme, the degree of choice they would be entitled to, the degree of prioritisation they would be entitled to and the type of social housing they might be allocated, if no discretion was applied.
- B. What the exceptional circumstances are. They should be unusual or remarkable circumstances which indicate that the Applicant's housing needs are more urgent than other Applicants.
- C. What will be the consequences if no discretion is exercised. This will include considering how serious the potential consequences are and how likely each potential consequence is.

9.12.5. When deciding, the Local Authority will have regard to:

- A. The fact that decisions to exercise discretion will be kept to minimum.
- B. The need for consistency with previous decisions regarding exercising discretion.
- C. What would be a fair outcome to ensure that there is no discrimination.
- D. The likelihood and severity of the potential consequences of discretion not being exercised.

9.12.6. A decision as to whether or not to exercise discretion will be made at the point of receipt of application and again at the point of offer.

9.12.7. This Scheme and the administration of it, will be the principal way to allocate housing for the purpose of the Local Authority entering into secure or fixed-term tenancies (let at social rent or affordable rent and can include a probationary period) with Applicants, or making a nomination for a Registered Provider to enter into an assured shorthold or an assured tenancy with Applicants.

9.12.8. Decisions concerning Applicants who are granted a fixed-term tenancy and whether to grant a further fixed-term are outside the scope of the Scheme. Applicants whose fixed term expires, and a further tenancy is not granted will be entitled to make an application to join this Scheme. Decisions about whether they are eligible or qualify to join this Scheme will be made consistent with all other Applicants. Information about the types of tenancies the council offers and how it can be found in the following documents:

1. West Northamptonshire Tenancy Strategy [insert hyper-link]
2. West Northamptonshire Tenancy Policy [insert hyper-link]

10.0. An Applicants Right to a Review

10.1.1. Applicants will be informed of their right to request a review of any of the decisions shown below within 21 calendar days of receiving a decision about their housing application:

- i. That an Applicant is not eligible for an allocation, due to being subject to immigration control or being an ineligible person from abroad.
- ii. That an Applicant is not within a class of persons qualifying to join the Scheme.
- iii. The degree of preference an Applicant has been afforded under the Scheme, including any changes made to the degree of preference they are entitled to.
- iv. The facts of an Applicant's case which are likely to be, or have been, taken account of when deciding whether to make an allocation or a nomination to a Registered Provider, including their medical condition or other welfare needs.
- v. The type of social rented housing for which an Applicant will be considered under the Scheme.
- vi. The extent of an Applicant's household.
- vii. Whether an allocation or a nomination constitutes a final offer with the terms of this Scheme.

10.1.2. Applicants must request a review in writing and can provide supporting evidence a that time. Reviews will be accepted:

By email: xxxxx

In writing to: xxxxxxx

10.1.3. The review will be a re-consideration of all the relevant facts and the legal requirements at the date the review is carried out. Upon receipt of a review request from an Applicant, the Local Authority will complete the review within eight weeks (56 days). This timeframe can be extended by mutual agreement between the Local

Authority and the Applicant. The review will be carried out by the Allocations Manager, who will not have previously been involved in making the original decision. An Applicant will not usually be entitled to an oral hearing. However, when the Local Authority deem an oral hearing helpful to determine the facts of the case, an Applicant will be entitled to have an advocate present.

10.1.4. If the Local Authority concludes that there was a deficiency or irregularity in the original decision, or in the manner in which it was made, but is minded to decide against the interests of the Applicant anyway, the Local Authority shall notify the Applicant of their intentions and the reasons for them. The Applicant and or their advocate may then, within a reasonable period of time, make oral and or written representations to the Local Authority.

10.1.5. Notification of all review decisions, including reasons for decisions made, will be made in writing.

10.1.6. Applicants will be informed of their right to pursue a judicial review. This includes a refusal to take an application to join the Scheme. If Applicants are dissatisfied with how their application and any subsequent complaint has been handled by the Local Authority, they will be informed of their right to make a claim of maladministration to the Local Government & Social Care Ombudsman or the Housing Ombudsman.

11.0. Information about this Scheme

11.1.1. The Local Authority will provide a copy of this Scheme to any person who requests one, irrespective of whether they intend to make an application or not. A summary version of this Scheme is also available. Electronic copies will be provided, copies in alternative formats will be considered on an individual basis. A copy of this Scheme is available on the Local Authority's website [insert hyperlink]

11.1.2. Copies of this Scheme can be requested by:

- a) In person [insert office address to which customer can visit in person].
- b) In writing [insert postal address if different from above].
- c) On the phone [insert telephone number].
- d) By email [insert email address].
- e) Online [insert website hyperlink, which contains all of the above].

11.1.3. Prior to adopting this Scheme, the Local Authority carried out consultation on how it intended to prioritise allocations. Applicants who were members of the Scheme in force at that time and other people, such as advocates for people who have

protected characteristics, as the Local Authority deemed appropriate were consulted before finalising this Scheme. Any major changes to this Scheme that will affect the relative priority of a large number of Applicants who were members of the previous Scheme, have been communicated in writing.

11.1.4. When formulating this Scheme, a variety of consultation methods, such as focus groups and online surveys, were used to solicit opinions from interested and relevant parties. The Local Authority took account of the needs of specific groups, such as persons with a disability, or learning and support needs. The Local Authority has published a report on the consultation of this Scheme, on the outcomes of the consultation and changes that have been made to the Scheme.

11.1.5. This Scheme will be reviewed by the Local Authority at least every two years (and more often if required, for example due to legislative or regulatory changes) in conjunction with Applicants and other appropriate persons or organisations.

11.1.6. Should any further amendments be made to this Scheme, the Local Authority will take such steps as it considers reasonable, within a reasonable period of time, to bring to the attention of those likely to be affected by:

- a) Any subsequent alteration to this Scheme that would affect the relative priority of a large number of Applicants.
- b) Any significant alteration to any associated procedures for administering this Scheme.

11.1.7. Minor changes will be agreed by Senior officers in consultation with the Portfolio Holder for Housing and Communities. This will assist in ensuring that the Scheme continues to meet legislative and best practice requirement and changes that may involve clarification on wording etc.

11.1.8. If any changes relate to a major change of policy which significantly impacts on any single group, the Council will comply with the procedures as set out in part VI of the Housing Act 1996 and the Scheme should be referred to Cabinet for approval and the possibility of consultation.

11.2. Co-operation with Registered Providers

11.2.1. Arrangements for nominating Applicants for homes owned by Registered Providers, set down in an agreement [insert hyper-link] prescribe the portion of lettings that Registered Providers will make available to the Local Authority. The agreement also has a criterion for how Registered Providers can accept or reject a nomination and

describes how any disagreements between the Local Authority and Registered Providers about nominations will be resolved.

11.2.2. A system has been adopted to monitor the effectiveness of the nominations agreements, to allow the Local Authority to be satisfied that it is fulfilling its legal obligations to allocate social rented housing. An annual report on nominations agreements will be presented to elected councillors of the Local Authority and will be shared with Registered Providers who have entered into a nomination agreement with the Local Authority.

11.2.3. The Local Authority and Registered Providers have agreed an information sharing protocol that accords with the General Data Protection Regulation and Data Protection Act 2018. The Local Authority will require written consent from an Applicant to share their information with a Registered Provider.

11.2.4. Applicants will be informed of their rights to make a complaint to a Registered Provider about a decision to reject a nomination. The methods by which complaints can be made are set out in the housing allocation rules and policies published by each Registered Provider. Applicants that have a dispute about the housing allocation rules and policies of Registered Providers, and how these affect any nomination made, will be informed of their right to make a complaint directly to the organisation and if still dissatisfied after their complaint has been investigated, to the Housing Ombudsman. Applicants will also be informed of their right to seek judicial review on any point of law of a Registered Provider's decision to reject a nomination. Additionally, Applicants who consider that there has been unlawful discrimination or infringement of human rights will be informed by the Local Authority of their right to seek assistance from the Equality and Human Rights Commission.

11.3. Fraud

11.3.1. Every Applicant will be provided with advice about offences in relation to applications, prior to making an application. Applicants will be disqualified, and might be prosecuted, if they deliberately withhold information, provide misleading information, or do not notify the Local Authority of any change in circumstances (e.g., change in income, change in household formation). A warning will include the following facts: a person guilty of such an offence could be liable to pay a fine (with no maximum) and may also face prosecution for fraud which can result in imprisonment.

11.4. Other matters

11.4.1. A copy of this Scheme has been sent to the Regulator of Social Housing and the Local Government & Social Care Ombudsman.

11.4.2. The Local Authority is permitted to contract out the administration of specific public law housing allocation functions to a third party. Any such arrangements that might be in force are outside the scope of this Scheme. - E.6. What an Applicant can afford to pay will vary according to the type of dwelling and their personal circumstances.
- E.7. Following a property being allocated, the Local Authority will wish to consider affordability as part of their processes for allocating a property.
- E.8. When determining affordability, the Local Authority shall consider whether an Applicant can afford the housing costs of the property they have been allocated, without being deprived of basic essentials, such as food, clothing, heating, transport and other essentials specific to their circumstances.

After housing costs, a tenant should be left with sufficient income to pay all other reasonable costs.
- E.11. An Applicant shall have the right to request a review of an affordability assessment, this should extend to the right to a review of any charges levied for occupying a dwelling. Should an Applicant remain dissatisfied, they shall be informed of their right to make a complaint to the relevant ombudsman and or pursue judicial review.

Appendix H - Glossary of terms

Term	Description
Adaptations	Adjustments to a property to assist a disabled member of the household access the property or facilities
Affordable Rent	Rented housing let by registered providers of housing to households who are eligible. Affordable Rent is not subject to the national rent regime but is subject to other rent controls that require a rent of no more than 80 per cent of the local private rented market rent.
Allocation Scheme	This is how housing is allocated in the WNC area. It prioritises applicants by using a banding system.
Applicant	A person who applies to register onto the WNC housing register.
Banding	We will categorise WNC applications into one of four bands which reflect the level of priority for housing. These bands are A, B, C, D. Applications in Band A have the highest level of priority and D the lowest.
Bid	The term used when an applicant expresses their interest in a property advertised.
Care Leaver	An adult who has spent time living in the care system, away from their family
Choice Based Letting	This scheme that allows applicants to express a choice about where they want to live from within their eligible properties.
Common Allocation Scheme	Registered Providers have chosen to enter into a common housing allocation scheme, whereby they will share with the Local Authority a common database of applicants and/or a common housing allocation policy
Compulsory Purchase Order	Legal function allowing local authorities to obtain land or property without the consent of the owner.
Direct Match	In exceptional circumstances, WNC may allocate a property to an applicant without it being advertised.
Eligibility	Eligibility determines who is eligible to, or is allowed to join the Keyways register under the provisions of the Housing Act 1996 and related legislation. A person who is not eligible will not be able to join the register or to bid for properties. Eligible applicants will then be advised what type of property (i.e. size) they are eligible to bid for.
Fixed Term Tenancy	Tenancies granted to new tenants that are for a fixed length of time. Tenancies will not normally be granted for less than five years, except for those who have not held a tenancy before, where a one year starter or introductory tenancy may be used.

Term	Description
Flexible Tenancy	flexible tenancy lasts for a fixed period of time (normally for an initial 10 years and subsequently 5 years upon review, unless there are special circumstances). When your flexible fixed term tenancy ends, the council does not have to give you another tenancy.
General Needs	Social housing is housing rented by a housing association at rents which are usually below those that are charged in the private rented sector. It is regarded to be 'general needs' housing when there is no additional support provided to tenants beyond a normal housing management and repairs service.
Habitual Residence	Whether the applicant's residence in the United Kingdom is of a settled nature. For example, it looks at the length and continuity of residence, work/work prospects or family ties.
