

Rural Building Questionnaire

Property details	
Name of property	
Ownership/rented etc	
Is the land used for agricultural purposes? “agriculture” includes horticulture, fruit growing, seed growing, dairy farming, the breeding and keeping of livestock (including any creature kept for the production of food, wool, skins or fur, or for the purpose of its use in the farming of land), the use of land as grazing land, meadow land, osier land, market gardens and nursery grounds, and the use of land for woodlands where that use is ancillary to the farming of land for other agricultural purposes, and “agricultural” shall be construed accordingly;	
Land	
Holding number	
Size (Hectares)	
Current use of land	
Proposed use of land	

Detail any other land used to support enterprise	
Building	
Existing buildings details list including sizes	
Proposed building use	
Proposed building size	
Proposed construction	
Animals/crops	
Describe farming system	
Describe type/age of animals kept	
Current number of animals kept	
Proposed number of animals kept once building constructed	

Stocking rate	
How long will they stay on the land?	
How will the new building be used to support the animals?	
Labour	
Who looks after the animals now	
Will this change once building constructed	
Will on-site residential accommodation be required once building constructed to support looking after the animals?
